

JULY 14-17, 2010
GRAND WAILEA RESORT
MAUI HAWAII

**INTERNATIONAL
SPINE
INTERVENTION
SOCIETY
18TH ANNUAL
SCIENTIFIC
MEETING**

**DISEASE SPECIFIC
INTERVENTION
SAVE THE DATE**

MEETING DESCRIPTION

The meetings theme *Disease Specific Interventions* will highlight many commonly encountered and controversial clinical scenarios including disease specific interventions for cervical, thoracic, and lumbar disc disease, spinal stenosis, spondylosis, as well as special sessions for new and emerging electronic technologies for medical record keeping and image processing. Special sessions will be held on updates and developments for minimally invasive disc interventions and other new technology updates.

MEETING OBJECTIVES

- > Define and highlight commonly encountered and controversial clinical scenarios, including disease specific interventions for cervical, thoracic and lumbar disc disease, spinal stenosis and spondylosis
- > Provide information on new and emerging electronic technologies for medical record keeping and imaging processing
- > Emphasis on ethical and best practice models for the diagnosis and treatment of spine pain
- > Identify evidence based medicine; specific examples of recent, pertinent literature and how to understand systematic reviews
- > Reviewing the pros and cons of various treatment options for treatment of disc related pain
- > Provide an environment for the exchange of ideas in interventional spine care with experts and peers

WHO SHOULD ATTEND

The meeting is available to members, physicians and spine professionals with an interest in the care of patients with spine pain. A multidisciplinary field including anesthesiologist, physiatrists, radiologists, neurologists, surgeons and allied health professionals.

CONTINUING MEDICAL EDUCATION

The International Spine Intervention Society is accredited by the *Accreditation Council for Continuing Medical Education* to provide continuing medical education for physicians.

The International Spine Intervention Society designates this educational activity for a maximum of 26 AMA PRA Category 1 credit(s).™

ISIS General Sessions:

- 18th Annual Meeting 21.5 Category 1 credits
- ISIS Evening Sessions: An additional 4.5 Category 1 credits

Physicians should only claim credit commensurate with the extent of their participation in the activity.

ABOUT ISIS

The International Spine Intervention Society (ISIS) is a multi-specialty physician association dedicated to the conscientious, evidence-based implementation of spine interventions to improve the quality of life.

With more than 3,000 board-certified and board-eligible physicians, ISIS is committed to the development, evaluation, validation, education and advocacy of percutaneous techniques used in the diagnosis and treatment of spine disorders.

With a total of 26 AMA PRA Category 1 credits™ offered during the Annual Scientific Meeting you have the potential to earn all your CME credits at one meeting for the entire year.
